REDMOND, RENTON, SAMMAMISH, SEATAC, SHORELINE, TUKWILA, AND WOODINVILE FOR PLANNING, FUNDING, AND IMPLEMENTATION OF A JOINT **HUMAN SERVICES APPLICATION AND FUNDING** PROGRAM.

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is entered into pursuant to Chapter 39.34 RCW by the Cities of Kent, Auburn, Bellevue, Bothell, Burien, Covington, Des Moines, Federal Way, Issaquah, Kenmore, Kirkland, Mercer Island, Redmond, Renton, Sammamish, SeaTac, Shoreline, Tukwila, and Woodinville, Washington hereinafter referred to as "Cities", to provide for planning, funding, and implementation of a joint human services application and funding program.

WHEREAS, the Cities wish to make the most efficient use of their resources by cooperating to provide funding to support human service providers in King County; and

WHEREAS, through the Interlocal Cooperation Act, the Cities have the authority to engage in cooperative efforts which result in more efficient use of Government resources; and

NOW THEREFORE, and in consideration of the terms, conditions and performances made herein, it is agreed as follows:

1. <u>Purpose of MOU:</u> The purpose of this MOU is to facilitate the alliance of the 19 member Cities who independently provide funding to organizations to provide critically needed human services in their communities, but jointly receive applications for grant funding through one online grant subscription service and portal. The various human service programs funded by the member cities include food security, housing and homelessness prevention, health, mental health, youth services, and others.

2. <u>Joint Participation</u>.

a) <u>Lead City</u>. The City of Kent shall be the designated lead city ("Lead City"). The Lead City shall contract directly for and manage the online grants subscription service with Western States Arts Federation ("Vendor"). The other responsibilities of the Lead City are described in Section 4.

- b) Participating City. A Participating City is a City participating in the joint online funding application portal, who is a party to this MOU, and who is not a Lead City.
- 3. Funding Arrangement. The Lead City and each Participating City will jointly participate in the costs to run the online grants subscription service. The allocation of costs shall be based on population ranges of each city, as established by population estimates made by the Office of Financial Management pursuant to RCW 43.62.030. The initial allocation shall be as described in Exhibit A, attached and incorporated herein. Any Participating City requesting a change in allocation may only do so by written amendment to this MOU, in accordance with Section 12. Each Participating City shall provide its annual financial contribution to the Lead City no later than thirty (30) days after receiving invoice from the Lead City, pursuant to Section 4(a) below.
- 4. Responsibilities of Lead City. The Lead City has been designated to act as the fiscal and administrative agent for the Participating Cities. The responsibilities of the Lead City shall include the following:
 - a) Send an invoice to each Participating City by February 15th of each year for their annual funding participation.
 - b) Contract with the Vendor, and manage the performance of the online grants subscription service.
 - c) For each year after the first year of this agreement, provide a projected estimate of the annual financial contribution to be made by each of the Participating Cities no later than September 30th of the preceding calendar year in which the contribution is to be made.
 - d) Maintain accounts and records which properly reflect transactions related to this MOU.
- 5. <u>Duration.</u> This MOU shall become effective when it is approved by a majority of the Cities and shall remain in effect through December 31, 2013, with automatic extensions annually, unless terminated as described in section 6.
- 6. <u>Termination</u>. Any City may terminate its participation in the MOU without cause by giving the other Cities a thirty (30) day written notice. The terminating party shall remain fully responsible for meeting its funding responsibilities and other obligations established by this MOU through the end of the calendar year in which such notice is given. If at any time termination of a City results in fewer than ten Cities remaining as parties to this MOU, then this MOU shall automatically terminate after sixty (60) days for all remaining Cities, provided that all Cities shall remain fully responsible for funding responsibilities and other obligations established by this MOU through the end of the calendar year in which such termination becomes effective.
